

TEAM LEADERSHIP

Nine Development Sessions	The group of participants will meet weekly for nine weeks. Each session will be approximately 2 - 3 hours in length. This process enables participants to “develop” since they will have application and practice time between sessions. Each session will end with specific goals and action steps to be accomplished by the next session.
Follow-Up Options	The group will meet quarterly for the three quarters following the last session, or your facilitator can arrange coaching sessions with each participant. Participants will present progress reports on their individual and organizational goals. When needed, additional content may also be part of these sessions. Work with your facilitator on the follow-up option that will work best for your unique situation.
